UNDER 37 CFR §1.137(a) and §1.181**

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313

Sir:

In response to the Decision mailed February 9, 2007 and further in response to the Notice of Abandonment mailed December 27, 2006, in connection with the above-identified application, applicants respectfully petition to have the holding of abandonment in this application withdrawn.

Appl. No. 10/540,908

As indicated in the Notice of Abandonment, the application was abandoned because of applicants' failure to respond to the notification of MISSING REQUIREMENTS (Form PCT/DO/EO/905) mailed January 12, 2006 within the time period set therein.

On January 17, 2006 applicants received a NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C.371 IN THE UNITED STATES DESIGNATED/ELECTED OFFICE (DO/EO/US) (the "notification of MISSING REQUIREMENTS") which was mailed January 12, 2006.

The notification of MISSING REQUIREMENTS indicated that applicants' declaration was not in compliance with 37 CFR 1.497(a) and (b) because it did not identify the citizenship of each inventor.

The notification of MISSING REQUIREMENTS gave applicants two months from the notification of MISSING REQUIREMENTS to submit a corrected declaration and to pay the necessary surcharge.

On March 8, 2006 (within two months from the mailing date of the notification of MISSING REQUIREMENTS), applicants submitted a Response to the notification of MISSING REQUIREMENTS, including a corrected declaration (with the inventors' citizenship properly identified) and authorization to charge the surcharge fee to deposit account no. 12-2136.

A copy of applicants submitted a Response to the notification of MISSING REQUIREMENTS is being submitted herewith as Exhibit A, including: a copy of the notification of MISSING REQUIREMENTS, the corrected declaration, and Fee Transmittal.

Appl. No. 10/540,908

Also submitted as Exhibit B is a copy of applicants' receipt return postcard that indicates that Exhibits A and B were received by the USPTO on March 13, 2006.

In the Decision mailed February 9, 2007 it was noted that Exhibit B, applicants' receipt return postcard, includes in the itemization of submitted documents the entry "Declaration (2 pgs)."

Submitted herewith as Exhibit C Under the provisions of 37 CFR §1.8(b)(3) is a statement by Ms. Debra L Burns who is the person who actually filled out the return receipt postcard and mailed the Response to the notification of MISSING REQUIREMENTS.

As attested, Ms. Burns, although making a typographical error on the return receipt postcard, did in fact mail all three pages of the Declaration to the U.S. Patent and Trademark Office on March 8, 2006.

It is accordingly submitted that the record clearly shows that the application was improperly abandoned by the USPTO because applicant's response to the notification of MISSING REQUIREMENTS Notice of Appeal was received but somehow not properly processed by the USPTO, it is requested the Notification of Abandonment be withdrawn.

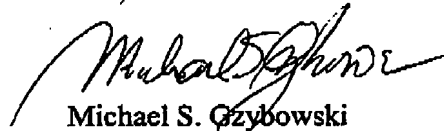

It is further requested that any petition fee required to consider this petition to withdraw the holding of abandonment be waived or re-credited to Deposit Account No. 12-2136.

However, should it be necessary to charge a petition fee to consider this petition to withdraw

Appl. No. 10/540,908

the holding of abandonment authorization is give to charge such petition fee to Deposit Account No.
12-2136.

Respectfully submitted,

Michael S. Gzybowski
